**INTERACTIVE DISPLAYS**

At the Brimbank Careers Exploration Day, interactive displays consistently receive strong feedback for helping students connect with exhibitors in memorable, hands-on ways. We'd love for your organisation to bring along props, visuals, or activities that students can actively engage with. It can be something very small or big and can be delivered at your table. If you require extra space, we can locate you in the Victoria Room, which will be dedicated to interactivity!

Can your organisation provide an interactivity with students, such as props, hands-on experience, or displays?

Yes  No  Unsure, I'd like the organiser to contact me to chat

What interactivity can your organisation provide?

**REGISTRATION FEE**
