

Girls Can Trade Up!

Setting you on the pathway to success

- Career advice
- Support and guidance
- Transition services
- Mentoring services
- Networking opportunities

There has never been a better time than right now for women to enter into a trade career. Trade careers deliver stable employment across a wide range of industries with good pay and great options for career progression beyond the Apprenticeship.

At Mas National, we can support you on your journey. Our qualified Career Advisors can sit down with you to help map out a pathway to your dream trade career and link you in with programs to offer ongoing support to ensure you success in your field.
